Thailand would like to provide some comments on the draft policy paper submitted by Policy Unit 9 as follows:

- The Target 3.6 under SDGs “*By 2020, halve the number of global deaths and injuries from road traffic accidents,*” should be reflected under *Section 2 (b) Transport and Mobility* for Targets related to policy priorities.
- The implementation recommendations for road safety policy at the local, national, and international levels should be elaborated further under *Section 3. Implementation: Develop action-oriented recommendations.*
