

Side Event: Sustainable And Resilient Housing And Urban Infrastructure: Mainstreaming The Environment In The New Urban Agenda	
ORGANIZATION (PARTNER ORGANIZATIONS)	United Nations Environment Programme Rockefeller Foundation
DATE/TIME	27 July, 1:30 p.m.- 2:30 p.m.
VENUE	Crystal 5
DESCRIPTION	<p>The side event aims to;</p> <ul style="list-style-type: none"> • Generate knowledge on sustainable approaches to infrastructure development, and on strategies to achieve urban sustainability through targeted infrastructure investment and decision making • Contribute to the Habitat III process, by elaborating recommendations on mainstreaming environmental sustainability, resilience and resource efficiency into all components of the New Urban Agenda, and in particular in infrastructure development • Increase exposure for local policymakers and practitioners to concepts and practical implementation measures related to urban ecology, resilience, and resource efficiency. • The event will also be an opportunity for Rockefeller Foundation and UNEP to generate interest and awareness of local practitioners about their work on urban resilience and resource efficiency.
