

<b>Side Event: Delivering Accessible Cities: Urban Mobility And The New Urban Agenda</b>	
ORGANIZATION (PARTNER ORGANIZATIONS)	<b>Partnership on Sustainable, Low Carbon Transport (SLOCAT)</b> Institute for Transportation and Development Policy (ITDP) France with support of the Ford Foundation
DATE/TIME	27 July, 1:30 p.m.- 2:30 p.m.
VENUE	Diamond 3
DESCRIPTION	<p>The side event supposed to;</p> <ul style="list-style-type: none"> <li>• Initiate a discussion for the development of an open long term action plan on sustainable, urban mobility and how this action plan can support the implementation of the New Urban Agenda</li> <li>• Identify enabling factors required for a successful and accelerated implementation of the New Urban Agenda and determine the cross-cutting role for transport</li> <li>• Propose meaningful ways to measure progress on implementing action on urban transport, transit oriented development and equity. The side event seeks to start a discussion on how to create a universal language for cities to understand how well cities are doing on achieving the new urban agenda. It will also present data and benchmarking for a selection of cities from around the world and invite discussion from key stakeholders on PNT in their cities and what it would take to achieve the new urban agenda.</li> </ul>
