DATE/TIME	22 July, 9:00 a.m. - 3:30 p.m.
VENUE	Petra Christian University Campus
OPEN/CLOSED EVENT	Open (maximum 35 people, registration will close 2 weeks prior to event)
DESCRIPTION	<p>Surabaya is a unique city with "kampung" lifestyle as the heartbeat. The "spirit of kampung" has encouraged all citizen, even new comers, to work together in building the city, emerging in various creative forms. The free spirit of Surabaya translated into many applied arts products. In this session, participant will be introduced to various applied art as creative industry approach in design studies. From visual communication design to interior design and products, we will take you closer to embrace the spirit of Surabaya as creative and free city. Making use of municipal waste to developing new design approach with local materials, participant will be invited to join in mini workshop to make their own personalized creative product to explore the diversity of Surabaya creative industry in our campus.</p>
