DATE/TIME	23 July, 8:00 a.m. - 5:00 p.m.
VENUE	Campus of Universitas 17 Agustus 1945 (UNTAG) Main Hall, Jl. Semolowaru No.45, Menur Pumpungan, Sukolilo, Surabaya 60111
OPEN/CLOSED EVENT	
DESCRIPTION	<p>The Workshop on Resilience Planning and Strategic Implementation will introduce the concept of resilience as the capacity to recover quickly from shocks and stresses based on a robust approach to systems planning, implementation and continual assessment taking into account social and economic factors, not only environmental ones.</p> <p>The parallel event itself is determined to:</p> <ul style="list-style-type: none"> • Share examples of resilient community planning and resources. • Provide a learning example such as a case study on a specific resilience challenge in particular geographical areas (e.g., USA, China, Indonesia). • Build network with urban stakeholders and with other participating parties of PrepCom3. • Establish partnerships with local governments, professional associations and academic/research institutions on the topic, particularly in the Asia Pacific region.
