

SEMINAR: SOCIAL ENTERPRISE FOR SUSTAINABLE URBAN DEVELOPMENT	
ORGANIZATION (PARTNER ORGANIZATIONS)	Centre for Business and Industrial Studies (CBIS), University of Surabaya
DATE/TIME	23 July, 9:00 a.m. - 12:00 p.m.
VENUE	University of Surabaya
OPEN/CLOSED EVENT	Open (up to 80 participants as well as 80 participants from UN Habitat delegates)
DESCRIPTION	<p>The growth of cities assumes different spatial patterns, such as economic, social and ecological ones. It is essential to consider the effects of urban development not only at larger scales, but also at neighborhood and household scales to pursue moderated and qualified densification, securing and redeveloping urban green and its multi-dimensional positive impacts. The conference is seeking for conceptual approach on sustainable urban development as well as international case studies from business and social studies dealing with the following aspect:</p> <ol style="list-style-type: none"> 1. Social Enterprise: Singapore Case Study, Presenter: Dr. Albert Chu-Ying Teo (National University of Singapore, Singapore)* 2. Generating value from organic waste: Sidoarjo and Surabaya Case Study, Presenter: Bart Verstappen (Eawag, Switzerland)* 3. Urban Housing Solutions: Jakarta Case Study, Presenter: Dr. Nining Susilo (UKM Center, Universitas Indonesia, Jakarta)* 4. Slump workers: Jakarta Case Study, Presenter: Ina Murwani (Universitas Bina Swadaya, Jakarta) 5.
