

## Visit us at Habitat III – Doppelmayr Side Event

---

Title: Urban Cable Cars – Is the urban mobility above our heads?

Date: 19<sup>th</sup> of October

Time: 12:30 – 1:30 pm

Venue: Room MR 11

As a leader in the cable industry, we are excited to share our knowledge, experience, and ideas. The event is designed to educate, inform, and inspire about the capabilities and possibilities of cable transit in the urban environment. Examples of existing systems will be reviewed as a way to illustrate the numerous possibilities for alignments, stations, lengths, and applications.

### List of Speakers:

- Katharina Bernard (Business Development)
- Christine Auclair (World Urban Campaign)
- Andre Dzikus (UN HABITAT)
- César Dockweiler Suárez (CEO Mi Teleférico, La Paz, Bolivia)
- Richard Resl (Universidad San Francisco de Quito)
- 100 Resilient Cities

Everyone interested is warmly invited to attend the event and to visit our booth (Nr. 129).
